SECRETARIES OF CONFERENCES AND MISSIONS

The following list of Secretaries, with their post office addresses, is published herewith as an aid to the Bishops and Conference Secretaries in making the transfers of preachers, especially during the time of the Conference sessions. Often they are hindered, if it should be the Fall Conference that is being held, in making the transfer to a Spring Conference, by not knowing to whom to send the certificate of transfer. It is hoped this may be of advantage both to the Bishop and the Secretary.

This list is correct according to the latest in formation.—EDITOR.

ALASKA MISSION

BISHOP MATTHEW S. HUGHES, in Charge

ATTENTION

FOR THE

Bishop and Conference Secretary

In a number of instances the names of men have been omitted from the list of Appointments. The Editor has sought for their whereabouts as faithfully as he could, but even then some of them have been lost, as Secretaries do not always know where they are.

There are cases where a man was transferred out of a Conference in 1916 and does not appear in the Conference of 1917 to which he was transferred. Example: E. R. Tracy, from Puget Sound to Central New York, is not in the latter Conference list.

These men (probably fifteen or twenty in number) have been indexed in the place where they should belong, in order that their names may not be lost when they appear next year.

District Superintendents should know the name and location of every man in the Conference, especially those who are in the list of Special Appointments, and live outside the bounds of the Conference, and see that they are properly placed in the appointments. The Bishop cannot easily do this, though it may be thought that he should. The Superintendent is the "applied end of the Episcopacy."
